Team Information

The size of our community and registration numbers present many challenges. In our indoor season, we have both gender specific teams and mixed teams. The goal for CLMSA is to have gender specific teams at the U13 and above groups. The executive will look at the numbers each season, and plan based on registration numbers.

Dates for upcoming coaching courses, referee courses and volunteer opportunities can also be found on our website

www.clmsa.ca

Volunteer Requirements

CLMSA continues to work bingos and other fundraisers so that we can keep our costs low. CLMSA also offers many other volunteer opportunities to fulfill your volunteer requirements. For the upcoming indoor season, we will require one \$199.00 volunteer bond per family. This bond will be returned to you when your commitment has been fulfilled. There is a buyout option if you choose not to volunteer. There is no bond required for U5 parents.

***Your registration will not be considered complete until your bond cheque/ buyout has been received.*

Cheques should be postdated for March 31, 2020

Registration is not considered complete until bonds are received.

Children will not be permitted on the field to participate until these are received.

Bond cheques can be mailed to:

League Games- Travel Required

For the U13- U19 age groups, travel will be required to other towns in the evening or weekends. Failure to complete scheduled games will result in the team not being allowed to participate in the district playoffs for provincials. Remember your team is counting on you!
